Caring for Kylie Elizabeth McKay

Eighteen-year-old Kylie has led a sheltered life, partly because of the way she was raised, but also due to her slight stature and medical condition.

When she meets the older, handsome BDSM club owner Brad, Kylie is immediately drawn to him - and not a little intimidated by his worldliness and her own reactions to his charm.

Brad finds himself captivated by the innocent, fragile girl who has strolled into his life; she's so different to the women he usually likes to date - and take in hand.

On the cusp of finding her own independence, Kylie is faced with a choice; whether to make her way alone, or to allow Brad into her life, even though he has made it clear that part of their relationship will include him treating her like his little girl.

"Caring for Kylie" contains ageplay, with a strong focus on diaper play. If this subject matter offends you, please do not purchase this book.
