When you give your lover a sensual and intimate massage, you are not expecting anything in return but you are completely engrossed in giving him or her pleasure. While it helps your lover relax and enjoy the massage, it offers you the freedom and convenience to open not only your eyes, but your mind and body as well to a whole new way of experiencing intimacy.

The intimate massage is not a novelty but an ancient ritualistic practice common in Eastern traditions. In fact, in many cultures, it is a natural expression of love. As we became more materialistic and our lives got busier, nobody had the time or inclination to make love the way it should be done. After all, love is never about you as a person, is it? It is about the experience. Give your lover an intimate massage and bring back the connection that you naturally have on a physical, sensual, spiritual and universal level.
