When George and Bella—a homeless alcoholic and his intimidating German shepherd—disturb the peace outside her studio, yoga instructor Kate Davidson’s Zen-like calm is stretched to the breaking point. Kate tries to get rid of them before Bella scares the yoga pants off her students. Instead, the three form an unlikely friendship.

One night Kate finds George’s body behind her studio. The police dismiss his murder as a drug-related street crime, but she knows George wasn’t a dealer. So Kate starts digging into George’s past while also looking for someone to adopt Bella before she’s sent to the big dog park in the sky. With the murderer nipping at her heels, Kate has to work fast or her next Corpse Pose may be for real.
