## **Mystery of the Men in Black: The UFO Silencers** Timothy Green Beckley

A classic book on the Men in Black -- NOT based upon the science fiction movie...but on amazing cases that really happened. The author was editor for over 10 years of UFO UNIVERSE magazine and has interviewed FIRST HAND dozens of individuals who have been threatened by the MIB because they knew too much about UFOs or came to close to the answer to the true origins of these unknown craft. Here are stories that will set your hair on end and chill you to the bone.

On the UFO Hunters (History Channel) country western singer and Hollywood stuntman Johnny Sands revealed the details of his bewildering contact with the dreaded MIB while on the way to perform in Las Vegas on New Year's Eve. UFO Silencers contains the full story (with art) based on a first person interview.

Also published for the first time is the first authentic photograph taken by author Tim Beckley during a concentration of UFO encounters in New Jersey during 1966. His presentation on Coast to Coast AM and UFO Hunters regarding this incident has stunned the world.

There are also the cases of mysterious murders linked to the MIB and the case of a doctor actually having one of these sinister individuals in his home where he was threatened by the MIB.

This book has sold thousands of copies. It is the Bible of Men In Black experiences. OWN IT NOW!
