*Silent Hill 4: The Room* begins in the sleepy town of South Ashfield, only a few short miles from Silent Hill. When the game's new hero, Henry Townshend awakens from a nightmare, he finds that he cannot leave his apartment. The door to the outside is heavily chained and boarded shut. Sounds emanate from the bathroom, but when he goes to investigate he notices a strange tunnel that will inevitably lead him directly into the heart of darkness. Driven to deliver a frightful entertainment experience that is as scary as it is gratifying, the unsettling narrative of Silent Hill 4 strikes fear in the hearts of its players. Traveling between the real world and a haunted alternate world, players will be forced to unravel a twisted mystery by deciphering a series of often-perplexing puzzles and clues. Adding further intimacy to the gameplay experience is the title's new 1st-person viewpoint within the real world and its 3-person viewpoint in the haunted alternate world. **Not Final Cover.**
