## **Walking with the Comrades** Arundhati Roy

From the award-winning author of *The God of Small Things* comes a searing frontline exposé of brutal repression in India

In her latest book, internationally renowned author Arundhati Roy draws on her unprecedented access to a little-known rebel movement in India to pen a work full of earth-shattering revelations. Deep in the forests, under the pretense of battling Maoist guerillas, the Indian government is waging a vicious total war against its own citizens—a war undocumented by a weak domestic press and fostered by corporations eager to exploit the rare minerals buried in tribal lands. Roy takes readers to the unseen front lines of this ongoing battle, chronicling her months spent living with the rebel guerillas in the forests. In documenting their local struggles, Roy addresses the much larger question of whether global capitalism will tolerate any societies existing outside of its colossal control.

After you know how truly amazing a book is, you feel you want to read more and more. Science guides were created for teachers or even students especially. Those publications are helping them to add their knowledge. In an additional case, besides science reserves, any other book like Walking with the Comrades to make your spare time a lot more colorful. Many types of books like here.

#### **Tamara Reams:**

As a pupil, I exactly feel bored to help reading. If their teacher expected them to go to the library in order to make a summary for some publication, they are complained. Just very little students that have reading's spirit or real their leisure activity. They just do what the professor wants, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. A book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise, word says, many ways to reach Chinese's country. Therefore this Walking with the Comrades can make you sense more interested to read.
