Warrior Elite: Australia's special forces – from Z Force and the SAS to the wars of the future Robert Macklin

A compelling account of Australia's intelligence organisations and special forces - from the early days of the commandos during World War II through to the SAS of today and the cyber wars of the future. From the co-author of *SAS Sniper*.

Warrior Elite is a unique and compelling account of Australia's special forces and intelligence operations - ranging from the early special forces of World War II to the establishment and development of the SAS and Commando Regiments as the elite fighters of today, and from the Australian Security Intelligence Service to the Australian Signals Directorate and ASIO. It is an authoritative, gripping and thoroughly up-to-date account of both the history and current state of our special forces and intelligence bodies - and gives a unique glimpse into the warfare of the future. Our future.

Robert Macklin has conducted dozens of exclusive interviews and uncovered incredible, daring and sometimes heartbreaking stories of the elite troops that guard our nation and engage in secret operations around the world. He has had significant cooperation from numerous sources within the special forces and the various intelligence agencies.

Both thoroughly researched and colourfully written, *Warrior Elite* will attract the reader of action memoirs as well as those interested in broader military history and espionage.
