**I've Got Aspergers, so I'm better than you..: Shh. Don't tell mom!** Mr Adam T Schwartz

For a long time Aspergers has been considered a disability. In this book, Autistic comedian Adam Schwartz, suggests that maybe its not a disability but rather a difference. A difference that gives people on the Autism Spectrum enough distance from mainstream society to examine its values and rules and point out it's foibles. In addition, because they are not as tied down to these values, they are better off as a result.
