“Never Give Up” is about my personal struggles dealing with anxiety, depression, and financial instability. So many young people are going through these things while still trying to find out who they are. In this book, I talk about what some of my struggles were, how I got through them, and how you can get through yours as well. Although I am still on this journey to self-discovery, I hope that what I say in this book will help you on yours.
