## Tax Policy in the Twenty-First Century

Edited by the former chairman of the Council of Economic Advisors, this illuminating volume presents thoughtful discussion by leading public officials, academics, and corporate executives on what the next generation of fiscal policy holds for us. Contributors look ahead to coming economic, political, and social changes to see how tax policy might, or should, affect the coming events of the 21st century. The result is a fascinating glimpse at key world developments that will affect future tax policies, and what preparations we should make.
