“Great children’s book”

“...narrative was easy to follow”

“...wonderful book”

This is the second book in the series called the Safari Childrens Books on Good Behavior and is another delightful tale this time about a lion learning the importance of brushing his teeth.

With a mix of fun, humor and truth, children will watch Luc learning why his teeth should sparkle and be healthy.

Kids books on behavior are always a favourite with parents. And this book won’t disappoint. As a bedtime story or as part of a library of childrens books for nurseries or playtime, this story will inspire and make children laugh. Illustrated throughout, it’s a great animal story for ages 3 - 7.
