Safeword Rainbow: (2013 Extended Edition) Candace Blevins

Tyler and Viv have found each other again after a three day fling three years ago. Ideally suited for each other, they try to make a relationship work. However, they soon realize Tyler was expecting a twenty-four/seven total power exchange and Vivian will never be a twenty-four/seven submissive.

As they try to find a compromise, Vivian must deal with what a Total Power Exchange means, even if it's only a part time power exchange, and Tyler must decide if he can live with a sometimes-Master and sometimes-boyfriend relationship.

Will they find their pot of gold at the end of the rainbow?

This title was published in 2010 with less than half the current content. The story has been considerably rewritten and contains a great deal of new material. We think it's a far better story now, but if you read the original, you can be the judge!

Warning: Contains graphic language, consensual BDSM, bondage, and the use of toys including clamps, canes, plugs, paddles, and floggers.
