Solus Mr. Jimmy Issac Mason

In the year 2020, mankind made its first steps on another planet, Mars. Shortly after, through sudden scientific breakthroughs, a colony was established. Mankind for the first time in its history finally had a second planet to call home. Six decades later, during the celebration of the 250,000th inhabitant of Mars, life was about to take an unexpected turn for two Martian brothers. Michael and Jacob Stele may appear to be average Martians but, unbeknown to them, they were about to become part of one of the defining moments in human history. Shortly after an alien artefact is discovered on Mars, the EMA (Earth Mars Alliance) reveals a shocking secret to them, along with an amazing opportunity of a lifetime. Michael and Jacob eventually find themselves trapped in a situation no one could have imagined, where the very survival of the human race is at stake. Along the way they discover new friends and new enemies, as well as discovering what it means to be human and the true limits of human endurance and determination.
