## **A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe** Marcelo Gleiser

For millennia, shamans and philosophers, believers and nonbelievers, artists and scientists have tried to make sense of our existence by suggesting that everything is connected, that a mysterious Oneness binds us to everything else. People go to temples, churches, mosques, and synagogues to pray to their divine incarnation of Oneness. Following a surprisingly similar notion, scientists have long asserted that under Nature's apparent complexity there is a simpler underlying reality. In its modern incarnation, this Theory of Everything would unite the physical laws governing very large bodies (Einstein's theory of relativity) and those governing tiny ones (quantum mechanics) into a single framework. But despite the brave efforts of many powerful minds, the Theory of Everything remains elusive. It turns out that the universe is not elegant. It is gloriously messy.

Overtuning more than twenty-five centuries of scientific thought, award-winning physicist Marcelo Gleiser argues that this quest for a Theory of Everything is fundamentally misguided, and he explains the volcanic implications this ideological shift has for humankind. All the evidence points to a scenario in which everything emerges from fundamental imperfections, primordial asymmetries in matter and time, cataclysmic accidents in Earth's early life, and duplication errors in the genetic code. Imbalance spurs creation. Without asymmetries and imperfections, the universe would be filled with nothing but smooth radiation.

*A Tear at the Edge of Creation* calls for nothing less than a new "humancentrism" to reflect our position in the universal order. All life, but intelligent life in particular, is a rare and precious accident. Our presence here has no meaning outside of itself, but it does have meaning. The unplanned complexity of humankind is all the more beautiful for its improbability. It's time for science to let go of the old aesthetic that labels perfection beautiful and holds that "beauty is truth." It's time to look at the evidence without centuries of monotheistic baggage. In this lucid, down-to-earth narrative, Gleiser walks us through the basic and cutting-edge science that fueled his own transformation from unifier to doubter—a fascinating scientific quest that led him to a new understanding of what it is to be human.

### **From reader reviews:**

#### **Andrew Howe:**

Book will be written, printed, or descriptive for everything. You can know everything you want by a book. Book has a different type. As we know that book is important thing to bring us around the world. Adjacent to that you can your reading proficiency was fluently. A publication A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe will make you to be smarter. You can feel a lot more confidence if you can know about everything. But some of you think in which open or reading some sort of book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or acceptable book with you?

#### **Shirley Henderson:**

Do you one of people who can't read pleasurable if the sentence chained inside straightway, hold on guys that aren't like that. This A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe book is readable by means of you who hate those straight word style. You will find the information here are arrange for enjoyable reading experience without leaving even decrease the knowledge that want to offer to you. The writer connected with A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe content conveys prospect easily to understand by a lot of people. The printed and e-book are not different in the articles but it just different as it. So , do you nonetheless thinking A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe is not loveable to be your top checklist reading book?

#### **Mildred Lucas:**

Hey guys, do you wishes to finds a new book to read? May be the book with the headline A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe suitable to you? The book was written by renowned writer in this era. Typically the book untitled A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe is the one of several books in which everyone read now. This specific book was inspired a lot of people in the world. When you read this guide you will enter the new age that you ever know prior to. The author explained their plan in the simple way, consequently all of people can easily to recognise the core of this book. This book will give you a lots of information about this world now. To help you see the represented of the world in this particular book.

#### **Betty Freeman:**

A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe can be one of your starter books that are good idea. We recommend that straight away because this book has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The writer giving his/her effort to set every word into satisfaction arrangement in writing A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe yet doesn't forget the

main level, giving the reader the hottest along with based confirm resource details that maybe you can be one among it. This great information can certainly drawn you into brand new stage of crucial pondering.
