One of the hottest topics in personal technology right now is eBooks and eReaders. (Amazon now reports selling more eBooks than printed books.) But, how can this technology apply to workplace learning and performance? Training groups have long published user guides and training manuals, but now eBooks can change the way we design and distribute these materials. This book explores the different formats of eBooks; covers the workflow of publishing eBooks using low-cost tools; and explores how the most popular eReaders can be leveraged for learning content in your organization.
