She's too good for him...that doesn't mean he won't do anything to make her his, if only for the night.

Half pixie, half demon, Raterrenh is the man every mother warns her daughter about. Treat 'em mean, keep 'em keen... like most demons, his sex drive is high and bedpost carved away under the weight of the notches. Until he met Baby... Everything male in him wants to claim her, everything demon in him demands her submission and surrender.

But a dragon queen and a demon prince? The world might end if the two of them get together. Ah, screw it...

Finally awake after eons of sleep, dragon shifter Babylonia--Baby--is struggling to find her place in the world. Her throne is gone, her people reduced to single figures, so there's nothing left for her to be queen of. All she knows is that the half demon Rat stirs feelings within her she can't explain...and wants to explore further.

One night is all they have...will it be enough?
