## Woof Spencer Quinn

Bowser is a dog detective on the loose, paired with an 11-year-old girl, Birdie. Bowser and Birdie live on the Louisiana coast with Birdie's Grammy. When a prize stuffed marlin is stolen from Grammy's bait and tackle shop, Birdie and Bowser decide to take on the case. But what looks like a straightforward break-in soon becomes as tangled as a tourist's fishing line.

Was Grammy hiding a treasure map in the marlin? What's up with Old Man Straker, owner of a rival tackle shop, and his juvenile-delinquent son? And most sinister of all, why does it suddenly look as if someone wants to harm Birdie?

Told entirely from Bowser's hilarious dog point of view, *Woof* launches a brand-new slightly slobbery but utterly winning detective duo.

A fresh book you know. You are and so out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

#### **Cassandra Harvey:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Woof can make you truly feel more interested to read.
