Horses for Courses Bryn Parry

Country Cartoonist Bryn Parry has galloped from the shooting field into the equestrian world with his latest book, *Horses for Courses*. This wonderful collection of detailed cartoons looks at riding from Bryn's unique point of view. Dressage horses flutter their eyelashes as they pirouette in ballet shoes; foxes dig pits to ambush the Huntsman; and jockeys are flung through the air as they pull the ripcord to their parachutes. The book is punctuated with 20 "Horse Types" written by Giles Catchpole which are both wicked and brilliantly observed, and everyone will recognize someone they know.
