Monster A. Lee Martinez

Meet Monster. Meet Judy. Two humans who don't like each other much, but together must fight dragons, fire-breathing felines, trolls, Inuit walrus dogs, and a crazy cat lady - for the future of the universe.

Monster runs a pest control agency. He's overworked and has domestic troubles - like having the girlfriend from hell.

Judy works the night shift at the local Food Plus Mart. Not the most glamorous life, but Judy is happy. No one bothers her and if she has to spell things out for the night-manager every now and again, so be it.

But when Judy finds a Yeti in the freezer aisle eating all the Rocky Road, her life collides with Monster's in a rather alarming fashion. Because Monster doesn't catch raccoons; he catches the things that go bump in the night. Things like ogres, trolls, and dragons.

Oh, and his girlfriend from Hell? She actually *is* from Hell.
