**Social Studies Alive! Our Community and Beyond TCI Student Edition 2016** Teachers' Curriculum Institute

Social Studies Alive! is both engaging and helps students read text that is more complex and at a higher level. That's because the authors wrote it as a "considerate text", which is another way of saying that it makes readers want to read it! Each lesson has several sections of purely informational text that explain the content of that lesson, followed by a Reading Further article that blends literary and informational style text to engage students.
