The ICD Guide to Collaborating with Professional Organizers: For Related Professionals

The ICD Guide to Collaborating with Professional Organizers: For Related Professionals

People whose disorganization undermines their physical and emotional well-being need the help of a team. The ICD Guide to Collaborating with Professional Organizers: For Related Professionals lays the foundation for collaborative work- whether that means having one another as trusted resources or involves more integrated treatment efforts. In addition to an in-depth explanation of chronic disorganization, the book details models for collaborating with trained professional organizers. The ICD Guide to Collaborating with Professional Organizers: For Related Professionals includes examples with therapists, AD/HD coaches, hoarding task forces, state and local governments, clients and their family members, schools, and support groups. Case studies on AD/HD, hoarding, and families in crisis illustrate the challenges and benefits of collaboration.
