WELCOME BACK. NOTE OF EXPLANATION TO FOLLOW...but first, for initiates::

Is sex essential? Is it truly, deeply important in a loving relationship? Of course it is!

The real-life "Tom and Heather Wellesley" were a once-highly-attractive couple who five years ago found themselves in a slightly boring, out of shape "family rut." In their thirties, their intimacy and excitement had gradually waned, opening the door for, among other pitfalls and stresses, the possibility of divorce.

However in divorce's face they fashioned, by mounting degrees, a culture of their own, not knowing in the beginning that what they were enjoying - "hotwifing" was already something of a worldwide phenomenon.

This marital game-changer included couples not only in the "Wellesley's" position and context, but numerous others who lived countless additional types of lives, with wildly varying lifestyles (in philosophies and motives) - culturally as well as intellectually. But here we tell the specific story of (the real) Tom and Heather's mode of operation, and their approach going forward - across the widespread canvas of the hotwifing landscape.

At the outset of their adventures, Heather faced a serious learning curve as her seduction techniques met, ironically, with alternating degrees of bemused and bemusing success. Plus some ironic non-success.

Meanwhile Tom's love life with Heather began to percolate, soon escalating dramatically, as it did for the real-life couple upon whose story this sensuous-and-sensual tale is warmly based - and with whose input and approval (and co-editing) it was written. Involving grander, more intimate and more intriguing successes for Heather - with, and, occasionally in fact, without Tom - to follow - and follow...!...continuing here in Book Three, Chapter One - Inner Slut.

NOTES: 4/05/16

Dear Friends and Fans of the real "Tom," and real "Heather:

For those of you who might be interested in how "Tom and Heather" arrived in the current phase of their adventure - plus a bit about where and how they are "adventuring" today via a backstory (with some choice bits from Book Three's final chapter via flash-forwards), you might wish to purchase all 11 chapters (at once) of BOOK ONE of their trilogy, available exclusively here on Amazon, or BOOK TWO's fourteen chapters. Each for \$9.99, again available only here on Amazon.

For new readers, welcome! Regarding "the chapters:" roughly every Thursday a new chapter of "Tom and Heather, Book Three" will appear for \$2.99...a bit the way Charles Dickens placed a new chapter of his

novels in magazines on a weekly basis.

Simply do what works best for you - hopefully with an open mind, and an appreciation for the real Tom and Heather's remarkable - rewarding - and sometimes amusing, sometimes touching, sometimes frustrating, sometimes sizzling - journey!

Best, and enjoy!

With appreciation,

Morgan Snow

-----

BTW Book THREE in its entirety for \$9.99 is NOT yet available as, although it is complete now in first draft form, it needs additional weekly editing by yours truly.

Wish I didn't have a day job so I could spend full-time writing and editing, but, alas! Guessing you might relate!

With smiles and good wishes from the three of us!
