Tyler DeHaven may look like a bad boy, but there's got to be more to the tattoo artist who volunteers at the hospital during the holiday season. Inviting him to a work Christmas party seems innocent enough ... at first. Problem is, he's just as irresistible as he looks and falling fast is more than Mallory bargained for. After all, she's reminded every day what a gamble love can be, and there's no question that with him, the stakes are high.

It may be cold outside but Mallory Stephens is the hottest nurse Tyler has ever laid eyes on. To top it off, she also likes ink and wants him to be her holiday party date. He's not going to say no, and when things get rocky, he's not going to let their passion frost over, either.

Can a brand-new romance survive the chill as snow falls in the Steel City?
