All Time Classics for Guitar

A collection of songs known and loved the world over and by people of all ages. Songs like *Amazing grace*, *Wayfaring stranger*, *Banks of the Ohio* and *Scarborough Fair* that make a nice addition to any player's repertoire.

All songs have been arranged for easy guitar with the beginning to intermediate player in mind; even the ones that are a little harder to play can be mastered with a little practice.

To make playing these songs as easy as possible, they're transposed to „guitar-friendly“ keys. Melody notation, chord symbols and full lyrics are included.

You'll find the chord diagrams for each song right where you need them: next to the song, so you don't have to turn pages - you can even risk a quick glance while playing. If you don't know the melody of a song, don't worry: there's a melody TAB to let you play it even if you don't read music.

In the appendix you'll find tips on tuning your guitar plus a selection of strumming and picking patterns for song accompaniment and a handy compendium of basic guitar chords.
