## **Economics and Land Use Planning (Real Estate Issues)** Alan Evans

The book's aim is to draw together the economics literature relating to planning and set it out systematically. It analyses the economics of land use planning and the relationship between economics and planning and addresses questions like: What are the limits of land use planning and the extent of its objectives?; Is the aim aesthetic?; Is it efficiency?; Is it to ensure equity?; Or sustainability?; And if all of these aims, how should one be balanced against another?
