## **La Gestion de la diversidad en la organizacion global** Celia De Anca, Antonio Varquez

Este libro se encamina a una reflexión profunda de cómo la empresa va creciendo a medida que a su potencial humano se le permite crecer y desarrollarse, lo que no está, por supuesto, exento de gran complejidad ya que la gestión de la diversidad necesita una apertura que vislumbre una complementariedad de modos de pensar y actuar radicalmente opuestos. Cómo resolver en definitiva la paradoja de los opuestos y la manera tan humana de pensar que todo funcionaría mejor si todos pensaran como un frente a aceptar, complementándose.
