Troubled is the first word that comes to mind when you mention Nicole. Haunted by memories and rebelling against everything around her, the petite brunette is on a crash course for disaster. And on the night of her eighteenth birthday, that disaster finally hits. Arrested, jailed, and found guilty for possession, the newly minted adult has two choices. Spend the next few years in prison, or go home with Jason, the one person she hates the most, and the only person willing to help her.

But what she sees as the easy choice becomes anything but as Jason takes her back home and lays out some new house rules. For the next three years, he'll be her caretaker. He'll take care of everything for her, and in return, she'll follow his rules, hoping that a little discipline will straighten her out. And the first rule Jason has is simple enough. Since Nicole isn't acting her age, he'll turn back the clock. As long as she's under his roof, he'll treat her like a little girl.

Nicole will become Nikki and everything will change. Her grown-up clothes will disappear, replaced by outfits from the girl's section. Her thong panties and push up bras will end up in the trash. Training bras and princess themed undies will fill her drawer instead. And if Jason's new little girl gets out of line, he'll have no problem taking her over his knee for a little bare bottom punishment.

But while Jason continues adding new rules that Nikki must follow, she starts to secretly enjoy her new role in the house. The humiliation, the loss of control... It's like a drug to her, leaving her craving him and his strange methods. Now all she has to do is get a handle on her confusing new feelings, all while confronting the demons in her past. With Jason's help, she might just make it though to the other side of her troubles.

And if she's really lucky, then maybe, just maybe, Jason will become more to her than just her guardian. But to win his love, she knows that she'll have to be the best little girl she can be...
