Samuel's black boss is looking for a very Personal type of Assistant...

Samuel is good at what he does. As a professional and highly sought after Personal Assistant, his new promotion could be everything he's ever dreamed of. It smacks of prestige, a salary big enough to get him and his wife out of debt, and a career that could bring him straight to the top.

Or so he thought. There's a problem, though. The man he was supposed to work for has decided the Personal Assistant job doesn't exist. No, Mr. Price wants Samuel for a very different role. He's willing to pay him more, and there's a company car attached.

All he has to do is everything Mr. Price wants, and what Mr. Price wants more than anything is to control Samuel's every sexual interaction.
