The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace Shelley Reciniello

Why do things go wrong in companies that shouldn't?

The answer, according to Dr. Shelley Reciniello, often lies deep beneath the surface in the unconscious processes of leaders and their employees.

Working as a sort of psychological detective, her job has been to consult with organizations and individuals to figure out what the real problem is when a poised for success corporate initiative fails, when a promising individual or team can't perform, or when a well-conceived departmental project doesn't deliver. When what has gone wrong doesn't make sense, she looks for the unrecognized, underlying psychological issues that caused the problem. What's going on unconsciously, out of awareness, is often more important than what is happening on the surface.

How can you wake-up and become conscious of secret motivations, unrecognized Achilles heels, and hidden agendas in yourself and your employees?

The Conscious Leader describes the nine most fundamental but often neglected truths about human beings and their workplace behavior in jargon-free, accessible concepts and examples. With humor and inspiration, Dr. Reciniello provides you with the principles and practices necessary for conscious leadership which you can immediately apply in your organizations.

From reader reviews:

Luis Gray:

Reading a book can be one of a lot of activity that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new information. When you read a publication you will get new information because book is one of various ways to share the information as well as their idea. Second, reading a book will make you more imaginative. When you reading through a book especially hype book the author will bring you to definitely imagine the story how the characters do it anything. Third, you may share your knowledge to some others. When you read this The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace, you may tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a reserve.

Jamey Norton:

Your reading 6th sense will not betray you actually, why because this The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace publication written by well-known writer who knows well how to make book which can be understand by anyone who read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still doubt The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace as good book not simply by the cover but also through the content. This is one e-book that can break don't judge book by its include, so do you still needing another sixth sense to pick this!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to one more sixth sense.

Lily Tarver:

This The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace is great guide for you because the content that is full of information for you who else always deal with world and also have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but hard core information with beautiful delivering sentences. Having The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen second right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Virginia Kang:

What is your hobby? Have you heard this question when you got scholars? We believe that that problem was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you know

that little person just like reading or as reading through become their hobby. You need to know that reading is very important along with book as to be the factor. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you choose to use be your object. One of them is actually The Conscious Leader: Nine Principles and Practices to Create a Wide-Awake and Productive Workplace.
