UFO Investigations Manual: UFO investigations from 1982 to the present day Nigel Watson

UFOs have been a global phenomenon from the late 19th century to the present day. The *UFO Investigator's Manual* examines many UFO investigations worldwide by looking at the government reports, both official and secret, that have attempted to explain the "otherworldly". This manual also explains how you can identify a UFO yourself and how to classify an alien encounter--was it of the first, second, third, fourth or fifth kind? The findings of scientific research will also be explored, as will the human attempts at alien communication, and finally, alternative explanations of uncanny happenings coupled with over 200 illustrations.
