A Symphony of Chance Encounters Sayujya Sankar

The world sways to an invisible music. We are the orchestra and our stories its symphony. And our loneliness is a song, which leads us through pasts and presents, towards new friends, and acquaintances...

That girl on the road swaying to an invisible rhythm...

That lady at the next table reading a book...

What's their music?

A Symphony of Chance Encounters has suspense, love, rage, passion, contemplation and myriad human emotions sung into its stories.

A murderess. A child's relationship with her father. An indifferent author. An unusual friendship. A couple in love. Writers exploring their creations. The fragrance of a new life; a new hope. A woman trapped in a life she does not want – will the rhythm be hers?

Their tunes merge. Their songs intertwine to create a symphony.

But, which tune do you sway to? Which melody lingers on your lips? Which story is yours?
