Fen Yont wanted it all – all the cattle, all the range, the biggest part of Arizona territory. One man stood in his way; his range hand Rufe Rogers. Rufe had left Texas with a price on his head for robbery and murder, and Fen used this knowledge to his advantage. Finding himself in the middle of a range war and his true identity discovered quickly by the law, Rufe got his chance to turn on his tyrant employer. Gun in hand, he went after Yont, knowing that before he got to him he would have to face all his hired killers first. Rufe couldn't prove his innocence and knew that when the cards were down he would have to kill Fen Yont – or be killed.
