Women don't need experts to tell them how to live wonderful lives; they just need to look to other women! The world is full of women who can inspire other women: women who overcome seemingly impossible difficulties, women who follow their dreams into uncharted territory, women who rise to incredible heights of achievement and success, and women who are mentors on finding spiritual fulfillment, creative expression, and deep personal satisfaction in life. *Everything I Need to Know I Learned from Other Women* is a collection of short stories, personal anecdotes, inspirational quotes, remembrances, and even comedic one-liners whose purpose is to celebrate what women teach each other. Inspirational lecturer, business consultant, storyteller, and bestselling author BJ Gallagher lets us in on the simple but essential wisdom that women can hold for each other. By sharing the stories about the women she has encountered in all walks of life from clients, coworkers, neighbors, shopkeepers, to mothers, daughters, sisters, aunts, grandmothers, and girlfriends, BJ helps reveal truths about the topics most women care about: friendship, love, sex, motherhood, food, body image, and happiness and fulfillment.
