**"Hilarious, smart, and utterly addicting. Watch out, Nora Ephron." -Valerie Frankel**

Jenna McCarthy presents an uproarious but insightful peek behind the curtains at the unholy state of matrimony. With ballsy wit and bawdy humor, she explores everything from male domestic idiocy and the frustrating misfires in spousal communication to how to stay true to the peskiest of vows: *forsaking all others*. Part in-your-face guide, part brutal confession, this book is a must-read manifesto on surviving marriage in an age when everyone seems to live forever and getting a divorce is as easy as ordering a latte.
