Practice Scenarios was developed to help prepare dedicated firefighters of all ranks to handle problems and challenges in four major areas: Fire Incidents (structure Fires, outdoor fires, vehicle fires), Non-Fire Incidents (hazardous materials, collapse, vehicle accidents, compounded incidents), Supervision and management (dealing with subordinate problems such as insubordination), and Administrative tasks (creating community relations programs, SOP's, department policies, etc). The book is especially helpful for individuals who are preparing for career advancement examinations and interviews. For each of the four areas you will be introduced to helpful formats and fireproof tips that will give you an edge and help elevate your situational and scenario awareness.
