Saving Morgan MB Panichi

Morgan Rahn is devastated when her co-worker is killed in a freak Moon Base accident—that he was wearing her gear at the time doesn't seem important. His replacement, Shaine Wendt, proves competent, and, over time, distractingly attractive.

Shaine has tried to walk away from her former life in Earth Guard. The simple life of a mechanic and possibilities with the passionate Morgan are all she wants. But Shaine's old security boss presses her into service as undercover security for Morgan. No one, including Morgan, is to know of Shaine's dual role.

When Morgan is attacked directly, it's clear that even far from Earth's intrigues there are lies and secrets someone will kill for. Shaine is committed to protecting Morgan from all harm. But how can Morgan trust her when Shaine is part of yet another lie?
