First published in 1985, this revised edition of the haircutting classic guides learners to excellent, precision-cut results. It teaches four basic haircuts—with variations—that have been popular for decades and features extensive photos from several angles, including from the barber's point of view. In addition to the detailed, step-by-step lessons for each hairstyle, the guide also contains information on necessary tools; safe, efficient tool handling and manipulation; proper hand and finger placement; and children's haircuts.
