The Edinburgh Dead Brian Ruckley

Edinburgh: 1828

In the starkly-lit operating theaters of the city, grisly experiments are being carried out on corpses in the name of medical science. But elsewhere, there are those experimenting with more sinister forces.

Amongst the crowded, sprawling tenements of the labyrinthine Old Town, a body is found, its neck torn to pieces. Charged with investigating the murder is Adam Quire, Officer of the newly- formed Edinburgh Police. The trail will lead him into the deepest reaches of the city's criminal underclass, and to the highest echelons of the filthy rich.

Soon Quire will discover that a darkness is crawling through this city of enlightenment - and no one is safe from its corruption.

The Edinburgh Dead is a powerful fusion of gothic horror, history, and the fantastical.
