## **The Muse** Jessica Evans

Elizabeth Bennet, the newest corps de ballet dancer at Ballet Theater of New York, dreams of rising through the prestigious company's ranks to become a prima ballerina. When she's cast in superstar choreographer William Darcy's newest work, she believes she's one step closer to realizing her dream-until she meets him. William Darcy, the former dance legend and ballet bad boy, is a jaded perfectionist whom dancers both fear and admire. Although touted as the next big thing in the ballet world, he secretly battles a bad case of artist's block-until he meets Elizabeth Bennet.

Tempers ignite between Elizabeth and Darcy, but he's irresistibly drawn to the stubborn and beautiful corps de ballet dancer. Could she be the muse he needs to reignite his passion for ballet?

### From reader reviews:

#### **Dolores Stiger:**

Book will be written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading expertise was fluently. A book The Muse will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think that open or reading a new book make you bored. It is far from make you fun. Why they may be thought like that? Have you trying to find best book or acceptable book with you?

#### **Hazel Reinoso:**

This The Muse book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is information inside this guide incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This kind of The Muse without we comprehend teach the one who reading through it become critical in contemplating and analyzing. Don't end up being worry The Muse can bring once you are and not make your handbag space or bookshelves' come to be full because you can have it in your lovely laptop even cell phone. This The Muse having great arrangement in word in addition to layout, so you will not feel uninterested in reading.

#### **Michael Due:**

As we know that book is important thing to add our understanding for everything. By a publication we can know everything we really wish for. A book is a range of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This reserve The Muse was filled concerning science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading a book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like today, many ways to get book that you wanted.

#### **Richard Dean:**

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Muse can make you really feel more interested to read.
