Thirty Lessons Learned MJ Eason

Experience has shown Paige Wilder that relationships end badly, so she's not looking for another. That is, until she meets Jude Martin.

It's been said that life is just a series of events with consequences. On their own, they don't add up to much. But when you put them together, you never know where they'll end up taking you or what the outcome will be.

Paige Wilder's game changer happens when she's dumped by a boring guy who finds her to be too boring. What?

Paige decides she's done with men. She has several good friends, she lives in one of the most exciting cities in the world and she has a perfect companion to come home to at night—her little dog Sammy. Who needs a man? At least that's what Paige thinks, until she attends a masquerade ball and ends up meeting the man of her dreams—who just happens to be her new boss.
