Excerpt from Catholic Ideals in Social Life

Several of the papers in this volume - "St Francis and You," "The Working-man's Apostolate," "The Priest and Social Reform" and "The Idea of Responsibility" - have already appeared as pamphlets or as articles in magazines. I have to thank the Editors of the "Catholic World," the "Tablet" and the "Weekly Register" for their kind permission to reprint these articles.

Throughout these papers the reader will perceive a unity of thought and purpose. My desire has been to give expression to the Catholic mind touching some of the most urgent questions of the hour in regard to social life and conduct. I have written not for the student or specialist, but for the ordinary intelligent wayfarer whom these questions concern.
