Two marine biology students attempt to reopen a cursed oceanographic project off the Outer Banks of North Carolina. Annie Mitchell and her partner, Stewart Eddinger, get more than they bargain for when they find themselves haunted by intense impulses, hallucinations, and an intangible evil that seems to be the biblical Leviathan incarnate. As Annie and Stew continue their investigation into the heart of the mystery, they discover that they are being slowly consumed by an evil older than time, a horror that reaches from beyond a dark, haunted sea.
