Take A Chance (Willow Creek Book 4) Micalea Smeltzer

I had life all figured out.

Married with a baby on the way I stupidly believed that things were perfect.

But then the good guy I fell in love with turned out to not be as good as I thought.

I was left alone to pick up the pieces of my life and provide for my daughter.

And then I met him.

Hayes.

The bad boy that just might not be so bad.

Three years after her husband walked out on her Arden James is struggling to make ends meet as a single mom. Despite it all, she knows she's better off with her ex out of the picture, and so is her daughter.

Josh Hayes—player, jokester, and very naughty boy—is the guitar player for the band Willow Creek. He's used to living the fast life, but suddenly it doesn't appeal to him anymore, and he has his sights set on the fiery Arden.

Despite their undeniable chemistry, Arden isn't sure she wants to invite a man into her life that has never been in a committed relationship before. But Hayes is determined to prove to her that there's more to him than meets the eye. He just needs Arden to take a chance.
