The Riss Survival (The Riss Series Book 3) C. R. Daems

The Raider clans have been defeated and their planet under the supervision of the Riss, with Captain Reese the station commander. But while Reese sees the Raider clans as on probation, many in the SAS task force she commands, perceive them as prisoners and hope to break the Treaty and get revenge.

As Nadya attempts to maintain the fragile peace, the three empires are being invaded. They know the invading force is far more technology advanced than the SAS. But who are they, where did they come from, and what do they want?

One thing appears certain. The SAS cannot defeat the aliens alone. But can they overcome their prejudices against the Riss, hatred of the clans, and long years of distrust of the other empires, to combine forces and technology to meet the challenge. The fate of the three empires, Riss, and the Raider clans may depend on it.
