When Kayla gets caught sneaking out of class, she thinks that some harmless flirting with her sexy teacher will make him change his mind about reporting her. But when things start to heat up between them, she promises to do 'anything' to get out of trouble. Now, his hands have slipped up her short skirt and between her thighs, and Kayla is about to discover just what can happen when you get caught by the teacher.

From the book:

She took in a deep breath, threw her shoulders back and faced him squarely. "I meant to say that I will do whatever it takes to convince you that you shouldn't report this incident."

"Whatever it takes, hmm?" He stood slowly, inches away from her.

Kayla gazed at him, tilting her head up from the thin white shirt that strained over his chest to the tender hollow of his throat, up the thick neck, over the strong jaw to catch on the generous curve of his lower lip. She licked her own lips and allowed her eyes to finally meet his. There was just something about his eyes... they sparkled devilishly.

"That works for me." He growled almost possessively as his hands came up and rested gently on her hips. Her breath caught in her throat as his hands slid down to cup the curves of her butt. He gazed down, openly staring at her heaving breasts. She thought he might devour her at any moment.

She thought her heart might stop.

"Whatever it takes," she murmured.

He pulled her to him, and slowly brought his mouth to hers. Given the heat in his gaze, Kayla thought he would crush her to him, but he proved her wrong, tenderly pressing his lips to hers, just grazing her lower lip with his tongue. Her lips parted without her truly realizing it, responding to his unspoken desire. His tongue darted in, its sensuous motions sending thrills through her as he held her close and explored her mouth.

When he pulled back, she was breathless. Her body tingled where he had touched her and all she wanted was more. She molded herself to him, arms reaching around his neck to pull his mouth down to hers again. She moaned as she felt the beginnings of his hardness press against her.

He allowed her to graze his lips, but pulled back before she could do much more than savor their softness.

"Mmm," his voice was soft. "I think it's time to prove yourself."
