Marked Jenny Martin

Mad Max* meets *Firefly* in the exhilarating sequel to the sci-fi novel *Tracked

Cash, the prince of Bisera and leader of the rebellion, is missing. Phee's uncle James is dead. And Charles Benroyal, once again, is behind it all. Caught between grief, thoughts of revenge, and traumatizing flashbacks of battle, Phee struggles to aid the resistance and prove her worth, even as she attempts to reconcile her growing romantic feelings for Bear with her loyalty to Cash. But when Benroyal's attacks grow bolder, no one is prepared for the sacrifices Phee will have to make to win this war once and for all.

With the high-stakes action of *The Fast and the Furious*, a swoony love triangle, and a wholly original science fiction world, *Marked* will have your heart racing until its breathless conclusion.
