Little Red Hen finds some grains of wheat but when she asks the cat, the dog and the goose to help her plant them, they are all too busy! So the Little Red Hen grows the wheat, cuts it, takes it to the miller and the baker, all on her own. When she brings home the delicious bread, the other animals are only too willing to help her eat it. But will she let them? The old tale is told in this book with full-page color illustrations in two languages - Greek and English - side by side. This book is also available in other bilingual editions (English with German, Italian, Russian, Greek, Arabic, Spanish, Portuguese, and other languages).
