In this "optimistic, exuberant tale," (*Kirkus Reviews*, starred review) two teens find unexpected romance and harmony amid the crowd at a legendary music festival.

Michael is unsure about most things. Go to college? Enlist in the military? Break up with his girlfriend? All big question marks. He is living for the moment, and all he wants is to enjoy a few days at the biggest concert of the summer.

Cora lives in the town hosting the music festival. She's volunteering in the medical tent. She's like that, always the good girl. But there is something in the air at this concert, and suddenly Cora finds herself wanting to push her own boundaries.

When Michael and Cora meet, sparks fly, hearts race, and all the things love songs are written about come true. And they've got three days of the most epic summer ahead of them...
