Night Speed Chris Howard

An addictive new drug fuels superhuman strength and speed in this action-packed sci-fi thriller that will have fans of Scott Westerfeld and Marie Lu on the edge of their seats . . .

Only those young enough can survive tetra, a dangerous drug that creates a pulse-pounding rush of enormous strength and incredible speed. Seventeen-year-old Alana West has been trained to use tetra so she can pursue the young criminals who abuse its power--criminals like the one who nearly killed her kid brother.

On tetra, Alana is unstoppable--an explosive blur as she surges through New York City. But with the clock ticking down to her eighteenth birthday, Alana will soon be too old for the rush . . . when just one more dose will prove deadly.

Supported only by her steady handler, Tucker, Alana goes undercover, infiltrating an elite gang of breaknecks to stop their supply of the drug. But when Alana gets trapped on the wrong side of the law, she learns the breaknecks are not quite what they seem--especially Ethan, the boy who seems to see the truth inside her. With her dependency on tetra increasing, Alana must decide where her loyalties lie, before the rush ends. Forever.

From reader reviews:

Janice Oconnell:

The book Night Speed gives you the sense of being enjoy for your spare time. You may use to make your capable far more increase. Book can to get your best friend when you getting stress or having big problem with your subject. If you can make looking at a book Night Speed to become your habit, you can get considerably more advantages, like add your capable, increase your knowledge about a number of or all subjects. You can know everything if you like open and read a publication Night Speed. Kinds of book are several. It means that, science reserve or encyclopedia or other people. So , how do you think about this book?

Valerie Garrison:

Night Speed can be one of your nice books that are good idea. We recommend that straight away because this e-book has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to set every word into enjoyment arrangement in writing Night Speed however doesn't forget the main stage, giving the reader the hottest as well as based confirm resource facts that maybe you can be one among it. This great information can drawn you into brand-new stage of crucial contemplating.

Mohammed Strohl:

This Night Speed is great publication for you because the content that is certainly full of information for you who all always deal with world and also have to make decision every minute. That book reveal it data accurately using great arrange word or we can declare no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having Night Speed in your hand like getting the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world with ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?

Maria Green:

Many people spending their time frame by playing outside using friends, fun activity together with family or just watching TV all day every day. You can have new activity to pay your whole day by reading through a book. Ugh, ya think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like Night Speed which is having the e-book version. So , try out this book? Let's view.
