*Nigel Hamilton*

**The Mantle of Command: FDR at War, 1941-1942** Nigel Hamilton  
*Longlisted for the National Book Award*

**“This bold argument . . . will undoubtedly change the way we see Franklin Roosevelt.”**  
—*Christian Science Monitor*

**“Masterly.”** — *Wall Street Journal*

**A dramatic, eye-opening account of how FDR took personal charge of the military direction of World War II**

Based on years of archival research and interviews with the last surviving Roosevelt aides and family members, *The Mantle of Command* offers a radical new perspective on Franklin Delano Roosevelt’s masterful — and underappreciated — leadership of the Allied war effort. After the disaster of Pearl Harbor, we see Roosevelt devising a global strategy that will defeat Hitler and the Japanese, rescue Churchill and the British people, and quell a near insurrection of his own American generals and War Department. All the while, Hamilton’s account drives toward Operation Torch — the invasion of French Northwest Africa — and the outcome of the war hangs in the balance. *The Mantle of Command* is an intimate, sweeping look at a great President in history’s greatest conflict.
